

The South Australian Tourism Awards Program will make available a limited number of mentors paid for by SATIC and available to those businesses that have nominated to enter a submission into the 2018.

The Mentor Program will offer up to three hours of support per nominated business using the following methods of delivery:

- Face-to-face meeting (where practical);
- Phone hook-up;
- Skype meeting;
- Email and phone communication.

Mentors are not intended to write the submission, but rather provide guidance, support and advice in specific areas.

Extensive question-by-question tips and resources are provided in the Nominee's Kit, particularly in the Entrant Guide Book. Please ensure you have read and are familiar with these resources prior to submitting a mentor application.

To express an interest in receiving a mentor for the 2018 SA Tourism Awards please complete the details on page two and submit by Monday 2nd July. Note conditions apply and spaces are strictly limited and will be allocated based on the following:

- A draft submission being available for review by a specific time frame;
- Preference will be given to those that have not previously received this support;
- Preference will be given to those businesses that engage in all the support programs offered in 2018, including How to Enter Workshop;
- The available number of mentors and budget for the Mentoring Program;
- Only one mentor of up to three hours will be offered per business **not** per nomination.

SATIC reserves the right to decide on suitability in receiving the mentoring support.
